What do you appreciate most about DMC?

The loving, godly and dedicated teachers and staff (as co-workers and those who educate my children!

Fun facts: I'm in my second round working for CCHS; I was originally here when the building was new, and still occasionally find things around the office with my handwriting on them from 13 years ago! I have three children (two graduates from DMC & CCHS and a 7th grader at DMC). I love shopping at barn sales, doing all things crafty, laughing, and eating just about any kind of Mexican food. Some day, I will own an alpaca and travel the country in a giant Winnebago...but not necessarily at the same time.

My favorite Bible verse is Psalm 139.
